

*UB 100:4.3 (p.1097)*¹ But the great problem of religious living consists in the task of unifying the soul powers of the personality by the dominance of LOVE. Health, mental efficiency, and **happiness** arise from the unification of physical systems, mind systems, and spirit systems. Of health and sanity man understands much, but of **happiness** he has truly realized very little. The **highest happiness** is indissolubly linked with spiritual progress. Spiritual growth yields lasting joy, peace which passes all understanding.
